

ACOUSTIC SERIES (TC-417)

Noise Control - University Auditorium

The building pictured below is on the campus of a university located in Kuala Terengganu, Malaysia.

The ceiling pictures provide a particularly good example of the versatility of **TC-417** when used to provide noise control in a public building. The ceiling area covered with **TC-417** is approximately 2000 m² (21,500 sq ft). Seating capacity is approximately 2,500 on two levels.
